Marker activity. This activity, from our article How Now Brown Cow: Phoneme Awareness Activities, is an example of how to teach students to use a marker (i.e., token) to count syllables.. The marker activity often used for word counting can be adapted for use in counting syllables. Teachers can provide each child with tokens and two or three horizontally connected boxes drawn on a sheet of paper.

Very young learners are developing their understanding of the alphabetic principle – the understanding that there are systematic and predictable relationships between written letters and spoken sounds. Teachers can help students develop this understanding through lots of fun activities that help students explore the alphabet letters and sounds.
