So, if you are a college student wanting to learn by yourself while still in college, this book can be a useful guide. "A Student's Guide to Liberal Learning" is not a book I would have bought if it wasn't recommended; it was recommended because I have bought "How to Read a Book".

A Student's Guide to Liberal Learning (Isi Guides to the

Savvy Students Know They Need More. Now, the alarm bells may have begun to go off in your mind. Your ability to work globally and cross-culturally may make the difference between a satisfying career of progressive successes, and a struggle to succeed. Thankfully, though, studies show that younger Americans like you are already embracing the necessity of global awareness.
