VOLUNTARY GUIDELINES to support the progressive realization of the right to adequate food in the context of national food security

Voluntary Guidelines to support the progressive

In semiotics, linguistics, sociology and anthropology, context refers to those objects or entities which surround a focal event, in these disciplines typically a communicative event, of some kind. Context is "a frame that surrounds the event and provides resources for its appropriate interpretation". It is thus a relativistic concept, only definable with respect to some focal event, not ...
