

american english file 2nd pdf

Many of the differences between American and British English date back to a time when spelling standards had not yet developed. For instance, some spellings seen as "American" today were once commonly used in Britain and some spellings seen as "British" were once commonly used in the United States.

American and British English spelling differences - Wikipedia

African-American Vernacular English (AAVE), known less precisely as Black Vernacular, Black English Vernacular (BEV), Black Vernacular English (BVE), or colloquially Ebonics (a controversial term), is the variety (dialect, ethnolect and sociolect) of English natively spoken by most working-and middle-class African Americans and some Black Canadians, particularly in urban communities.

African-American Vernacular English - Wikipedia

The United States is a federal republic. The federal government of the United States is set up by the Constitution. There are three branches. They are the executive branch, the legislative branch, and the judicial branch. State governments and the federal government work in very similar ways. Each state has its own executive, legislative, and judicial branches.
