Anatomy Physiology online course, self-paced. This online anatomy physiology class is fully accredited for CEUs upon completion. College credit hours can be awarded upon completion of the Anatomy Physiology online course.

### **Anatomy & Physiology Course Online | Accredited Class**

Anatomy (Greek *anatōmē*, "dissection") is the branch of biology concerned with the study of the structure of organisms and their parts. Anatomy is a branch of natural science which deals with the structural organization of living things. It is an old science, having its beginnings in prehistoric times. Anatomy is inherently tied to embryology, comparative anatomy, evolutionary biology, and ...
