I have solution manual for these textbooks .. They are all in PDF format .. If you are interested in any one, please send an email to cartermath[at]gmail[dot]com..

SOLUTIONS MANUAL: Bioprocess Engineering Principles

On the other hand, chemical engineering textbooks do not consider examples from bioprocessing, and are written almost exclusively with the petroleum and chemical industries in mind. This publication explains process analysis from an engineering point of view, but refers exclusively to the treatment of biological systems.

Bioprocess Engineering Principles - 1st Edition

Expanded sections on metabolic engineering, animal cell culture, and protein processing. Offers students information on analysis of metabolic pathways, bioreactor considerations for animal cells, and includes some recent examples.

Shuler & Kargi, Bioprocess Engineering: Basic Concepts

This textbook is the first to present the principles of bioprocess engineering in a way that is accessible to biological scientists. Other texts on bioprocess engineering currently available assume that the reader already has engineering training.

Bioprocess Engineering Principles (ebook) by Pauline M

* First book to present the principles of bioprocess engineering in a way that is accessible to biological scientists * Explains process analysis from an engineering point of view, but uses worked examples relating to biological systems
