Dairy cattle (also called dairy cows) are cattle cows bred for the ability to produce large quantities of milk, from which dairy products are made. Dairy cows generally are of the species *Bos taurus*.. Historically, there was little distinction between dairy cattle and beef cattle, with the same stock often being used for both meat and milk production.. Today, the bovine industry is more ...

A bachelor herd is a herd of (usually) juvenile male animals who are still sexually immature or 'harem'-forming animals who have been thrown out of their parent groups but not yet formed a new family group. It may also refer to a group of males who are not currently territorial or mating with females. Examples include seals, dolphins, lions, and many herbivores such as deer, horses, and elephants.
