The Kellogg Executive Development Program focuses on results: helping organizations succeed by equipping and empowering top-performing managers to realize their potential for assuming general management roles.

Executive Leadership Development Program | Kellogg

Outpatient services have become an important component of health care. By hidebound thinking, the medical profession emphasized that a physician's time is more valuable than a patient's time. Consequently, the appointment system was designed to minimize physicians' idle time overlooking patients' waiting time. This is no longer valid in today's consumer oriented society.

The Analysis of Appointment System to Reduce Outpatient
