Litigation related mock trials. Litigators may use mock trials to assist with trial preparation and settlement negotiations of actual cases. Unlike school-related mock trials, these mock trials can take numerous forms depending on the information sought. For example, when faced with complex fact issues in a particular case, attorneys might convene a mini mock trial to try different methods of ...

Civil law, or civilian law, is a legal system originating in Europe, intellectualised within the framework of Roman law, the main feature of which is that its core principles are codified into a referable system which serves as the primary source of law. This can be contrasted with common law systems; the intellectual framework of which comes from judge-made decisional law, and gives ...
