

conscious will and responsibility pdf

Social responsibility is an ethical framework and suggests that an entity, be it an organization or individual, has an obligation to act for the benefit of society at large [citation needed]. Social responsibility is a duty every individual has to perform so as to maintain a balance between the economy and the ecosystems.

Social responsibility - Wikipedia

Social consciousness is consciousness shared by individuals within a society. According to Karl Marx, human beings enter into certain productive, or economic, relations and these relations lead to a form of social consciousness. Marx said: "In the social production of their life, men enter into definite relations that are indispensable and independent of their will; these relations of ...
