A prophecy is a message that is claimed by a prophet to have been communicated to them by a god. Such messages typically involve inspiration, interpretation, or revelation of divine will concerning the prophet's social world and events to come (compare divine knowledge). All known ancient cultures had prophets who delivered prophecies.

Fortune telling is the practice of predicting information about a person's life. The scope of fortune telling is in principle identical with the practice of divination. The difference is that divination is the term used for predictions considered part of a religious ritual, invoking deities or spirits, while the term fortune telling implies a less serious or formal setting, even one of popular ...
