CLEP® Biology At a Glance Description of the Examination The Biology examination covers material that is usually taught in a one-year college general biology course.

CLEP Biology - College Board

In common usage, the word "human" generally refers to the only extant species of the genus *Homo*—anatomically and behaviorally modern *Homo sapiens*.. In scientific terms, the meanings of "hominid" and "hominin" have changed during the recent decades with advances in the discovery and study of the fossil ancestors of modern humans. The previously clear boundary between humans and apes has ...
