For a detailed view of when various source sets of emoji were added to Unicode, see [Emoji Version Sources \[emoji-charts\]](#). The data file [\[\]](#) shows the correspondence to the original Japanese carrier symbols.. People often ask how many emoji are in the Unicode Standard.

UTS #51: Unicode Emoji

Introduction. This manual is the basic textbook for anyone writing an ASTM standard. A study of Parts A, B, C, or E will show the proper form for the principal types of standards including a detailed explanation of how to write each section, from the title to the appendixes. Within Parts A, B, C, and E, the first section lists the preferred sequence of headings and indicates whether these ...

I want to use OpenOffice.org to produce some forms for students to fill in and email to their instructors. I want these forms to be in PDF so students can use Adobe Reader (or any other PDF viewer with form-filling capability, if there are any, or any browser equipped with the Adobe Reader plug-in) to fill them in.

Create fill-in PDF forms to save & email â€“ Taming Apache
