The Stokes Field Guide to Bird Songs: Eastern Region offers you the very best sound recordings available for the birds of eastern North America. It includes more species, more time per species, and more sounds per species than any other audio guide

Stokes Field Guide to Bird Songs: Eastern Region: Donald

Wildlife photography is a genre of photography concerned with documenting various forms of wildlife in their natural habitat.. As well as requiring photography skills, wildlife photographers may need field craft skills. For example, some animals are difficult to approach and thus a knowledge of the animal's behavior is needed in order to be able to predict its actions.
